DLP PROJECTORS

BARCO UDM-4K22 4K UHD 3-Chip DLP Laser Projector

- 21,500 Lumens, 2200:1 Contrast - Show Quality.
- Inputs: HDMI2.0, Quad 3G/12G SDI/BarcoLink ULTRA, Quad DP1.2, Fiber SFP
- 2200:1 contrast ratio.
- Native 2560 x 1600 resolution. 16:10 aspect ratio. NTSC 480i/p to 4K 4096x2160 UHD resolutions.
- Laser Phosphor light source.
- 120-240 VAC 2400 watts max. NEMA L6-30 connector.
- Built-in integrated Fly Frame.
- (See Additional Lens Chart On Next Page)

BARCO HDX-W20 HD 16:10 3-chip DLP Projector

- 20,000 Lumens, 2400:1 Contrast- Show Quality.
- Inputs: DVI-I, SD/HD-SDI dual-link, HD-SDI 3G dual-link, Analog RGBHV BNCx5 (Composite, Component) (no HDMI input)
- Native 1920 x 1200 resolution. 16:10 aspect ratio. NTSC 480i/p to QXGA 2048x1536 HD resolutions.
- 2.5 kilowatt Xenon lamp.
- 200-240 VAC 2850 watts max. NEMA L6-20 connector.
- Built-in integrated Fly Frame.
- (See Additional Lens Chart On Next Page)

CHRISTIE WU14K-M HD 16:10 3-chip DLP Projector

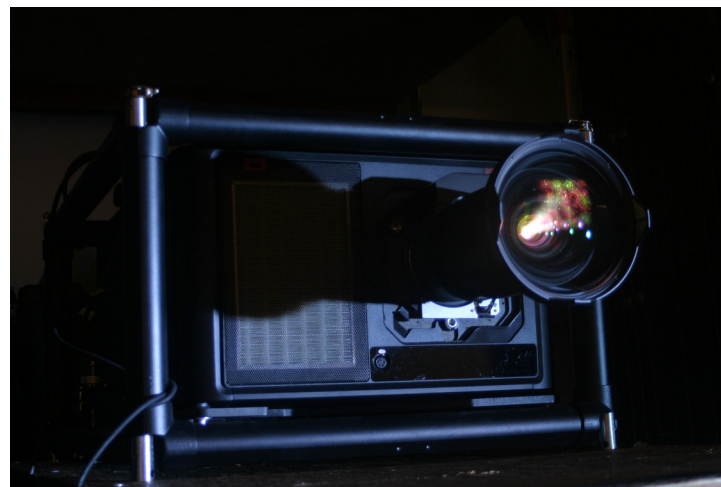

- 14,000 Lumens, 2500:1 Contrast - Show Quality.
- Inputs: 2x HDMI, DVI-D, 2x HD-SDI 3G, 2x Display Port, Analog RGBHV BNCx5
- Native 1920 x 1200 resolution. 16:10 aspect ratio. NTSC 480i/p to QXGA 2048x1536 HD resolutions.
- 450-watt x 2 lamp. Built-in redundancy.
- 120 VAC 15A max. NEMA 5-15 connector.
- (See Additional Lens Chart On Next Page)

CHRISTIE D12HD-H HD 16:9 1-chip DLP Projector

- 11,000 Lumens, 1200:1 Contrast - Show Quality.
- Inputs: 2x HDMI, DVI-D, HD-SDI 3G, Display Port, HD15 Analog RGBHV BNCx5, Composite, Component
- Native 1920 x 1080 resolution. 16:10 aspect ratio. NTSC 480i/p to WUXGA 1920x1200 HD resolutions.
- 465-watt x 2 lamp. Built-in redundancy.
- 120 VAC 12A max. NEMA 5-20 connector.
- (See Additional Lens Chart On Next Page)

MITSUBISHI WD390U-EST 16:10 1-chip DLP Projector

- **Fixed .375:1 Ultra Short Throw Lens.**
- 3,000 Lumens, 3000:1 Contrast
- Inputs: VGAX2, Composite, HDMI
- HD 1280 x 800 resolution. 16:10 aspect ratio. 480i/p to 1080/60p HD resolutions.

BARCO UDM-4K22 4K UHD 3-Chip DLP Laser Projector

LCD PROJECTORS

CHRISTIE LWU900-DS 16:10 3-LCD Laser Projector

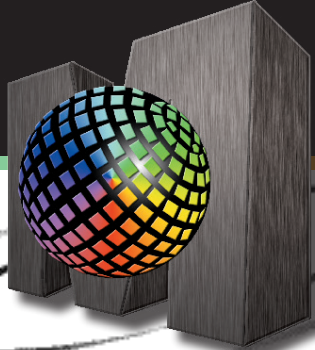

- 9,000 lumens - Show Quality.
- Inputs: HDMI1, HDMI2, 3G-SDI, DP, HD15, RCA
- 4000000:1 contrast ratio.
- Native WUXGA 1920x1200 resolution 16:10 aspect ratio.
- Laser Phosphor light source
- 120 VAC 580 watts max. NEMA 5-20 Connector.
- (See Additional Lens Chart On Next Page)

CHRISTIE LWU720i-D 16:10 3-LCD Projector

- 8,000 lumens - Mid to large-sized applications.
- Inputs: 2x HDMI1, 3G-SDI, DP, HD15, RCA
- 65000:1 contrast ratio
- Native WUXGA 1920 x 1200 resolution. 16:10 aspect ratio
- 120 VAC 580 watts Max. NEMA 5-15 Connector
- (See Additional Lens Chart On Next Page))

EIKI LC-WUL100 5k WUXGA 16:10 HD LCD Projector

- 5,000 lumens - Mid-sized applications.
- Inputs: HDMI, DVI-D, Analog RGBHV BNCx5, VGA
- 2000:1 contrast ratio
- Native WUXGA 1920 x 1200 16:10 aspect ratio
- 120 VAC, NEMA 5-15 Connector
- (See Additional Lens Chart On Next Page)

LCD PROJECTORS (CONTINUED)

EIKI EK-308U 6k WUXGA 16:10 3-LCD Projector

- 6000 lumens - Mid-sized applications.
- Inputs: 2x HDMI, 2x HD15/VGA
- 10000:1 contrast ratio
- Native WUXGA 1920 x 1200 resolution
- 16:10 aspect ratio
- Manual Short-throw lens 1.07-1.75:1

EIKI EK-306U 5k WUXGA 16:10 3-LCD Projector

- 5000 lumens - Mid-sized applications.
- Inputs: 2x HDMI, 2x HD15/VGA
- 10000:1 contrast ratio
- Native WUXGA 1920 x 1200 resolution.
- 16:10 Aspect Ratio
- Manual Short-throw lens 1.07-1.75:1

EIKI BASIC ~3k WXGA 16:10 LCD Projector

- ~3000 lumens - Small applications.
- Inputs: VGAX2, HDMI, Composite, S-Video
- 2000:1 contrast ratio
- Native WXGA 1200 x 800 or HD 720p resolution
- 16:10 aspect ratio
- Manual Short-throw lens 1.18-1.86:1

CHRISTIE LWU900-DS 16:10 3-LCD Laser Projector

A FEW OF OUR SUCCESSFUL SHOWS

SCENIC / DECOR

MAV CUSTOM MODULAR SCENIC SYSTEM

SYSTEM FEATURES

- Modular design.
- Lightweight aluminum frame and panel construction.
- Complete flexibility in configuration and size.
- Neutral colored 'platinum loop-lock' panels.
- Wide selection of accent colors available upon request.
- Tool-free assembly.
- Custom matching podiums.
- Control 'surround' systems.

Finally, a scenic system that is completely versatile, customizable and available at a reasonable cost. Sleek, cutting edge and very adaptable, our scenic system allows the customer to incorporate logo's, meeting themes and product displays into various custom set configurations. Easy to assemble modular panels offer many creative options, a unique backdrop for important presentations, a great neutral surface for creative lighting applications or a tasteful video screen surround.

MAV DRAPE SCAPE SCENIC SYSTEM

Light-weight Modular 20"x20" Relief Panels that connect together with small hooks and can easily hang from a standard Pipe & Drape line or from stand alone P&D hardware. Can be used in as many columns and rows as you prefer for a custom look for your backdrop or room. Two panel styles are available: Ripple and Pyramid.

SCENIC PRICING VARIES BASED ON CONFIGURATION & LAYOUT. PLEASE CALL FOR YOUR CUSTOM SCENIC QUOTATION

MODULAR SCENIC PANELS

Enhance your production with Module Scenic Panels! These spectacular modular panels can serve as a distinctive background or amazing video mapped surface. Call us today to discuss how we can make your next show the one everyone will remember!

A RENTAL, STAGING AND EVENT PRODUCTION COMPANY | 303.623.2324

TERMS AND CONDITIONS

LABOR POLICIES

IN TOWN LABOR

In town labor is considered any work performed within the greater Denver metropolitan area.

DAY RATE

Day rates are based on a ten-hour day. Any MAV technician shall require an six-hour break prior to the commencement of a new straight time day rate. All show operators are billed at Full Day Rates. MAV may offer Half Day Rates for set-up and strikes when they are not part of a show day. These rates are not half of a standard day rate but will be a unique "half day rate" and may vary based on the skill set(s) of the technicians involved, time of set-up, etc..

MEAL BREAKS

A one-hour walk away meal break is required per ten-hour shift. All one-hour walk away meal breaks shall be removed from the technicians working hours. A thirty-minute meal break is allowed if a complete meal is provided to a technician on-site; this half hour break will not be removed from the total billable time for that technician for the day.

TRAVEL DAY RATE

Travel days are billed for travel to and from an out-of-town event. A minimum of five-hours travel time is billable. International travel is billable at a full day rate. Delays due to air or ground transportation are billable. Tolls, mileage or other incidentals are billable.

HOTEL ACCOMODATIONS

Hotel accommodations may be required on multi-day events and/or if a technician's day ends between the hours of 12AM and 6AM and/or the technician is working outside the greater Denver metropolitan area. All hotel accomodations will be single occupancy. Room sharing will only be considered under very special circumstances.

PER DIEM

Per Diem is paid to MAV technicians in amounts varying from \$60 to \$150 per day for food and sundries. Per Diem charges may change based on geographic location.

LABOR RATES

SHOW TECHNICIAN RATES:

STRAIGHT TIME (ST) STANDARD RATE:

- Any ten-hour call between 7AM and 12AM, Monday through Friday.

OVERTIME (OT) 1.5X STANDARD RATE:

- Between 7AM and 12AM on Saturday.
- After ten consecutive hours of straight time have been exhausted.
- Anytime on Sunday.

DOUBLE TIME (DT) 2X STANDARD RATE:

- Between the hours of 12AM and 5AM Monday through Sunday.
- After six consecutive hours of overtime have been worked.
- Any and all work performed on designated legal holidays.
- When a workday begins prior to 7AM, double time is in effect until 7AM at which time the standard straight time rate shall prevail.

TURNAROUND RATES (DT):

- When a technician is on call for an event, and the technician is called back before a period of six hours has elapsed, the double time rate shall be paid for any and all work until an six hour break is granted.

HOURLY RATES:

Business hours for Multimedia Audio-Visual are: Monday through Friday, 8:00AM- 5:00PM MT, Saturday by appointment only. Hourly Labor may be subject to a 4 hour minimum.

STRAIGHT TIME (ST) STANDARD RATE:

- Any hours between 8AM and 5PM MT, Monday through Friday.

OVERTIME (OT) 1.5X STANDARD RATE:

- After ten consecutive hours of straight time have been exhausted.
- Between 5PM and 12AM Monday through Friday.
- Between 5AM and 12AM on Saturday.
- Anytime on Sunday.
- When the net rental per technician per day is less than \$500.00 when MAV technicians are required to operate equipment.

DOUBLE TIME (DT) 2X STANDARD RATE:

- After six consecutive hours of overtime have been worked.
- Between the hours of 12AM and 5AM Monday through Sunday.
- Any and all work performed on designated legal holidays.
- When a workday begins prior to 8AM, double time is in effect until 8AM at which time the standard straight time rate shall prevail.

DELIVERY POLICIES

AUDIO-VISUAL DELIVERY CHARGES

Standard delivery charges are for rental orders that can be transported in a standard van by (1) one MAV technician. All deliveries based on a radius from the Multimedia Audio-Visual, headquarters. All charges are based on "door to door" service and do not include setup of any kind. If setup or instruction of any kind is required a standard hourly rate shall commence upon delivery of equipment. Standard delivery charges are in effect during normal business hours only.

STANDARD BASIC DELIVERY CHARGE

\$100.00 Within a 10 mile radius of MAV, with a minimum of 24 business hours' advance notice
M-F 8AM-5PM, 1-person in 1 small van, and \$100.00 minimum NET rental.

CALL.....greater than 10 mile radius of MAV, and/or outside of normal business hours, weekends , and/or requiring a larger vehicle, and/or requiring more than one delivery person.

ASAP DELIVERIES

ASAP deliveries are defined as any delivery with less than 24 business hours' notice. All rental charges will be billed at a minimum of a 1x day rental upon booking confirmation of customer. ASAP delivery charges are a minimum 1.5x standard delivery and are ultimately determined on a case by case basis.

STAGED EVENT DELIVERIES

All events requiring complete systems, staging and production equipment shall bear a custom cost based on the geographic location of the event, the type of vehicle(s) and the amount of equipment required for that event. As a result, Multimedia Audio-Visual, Inc. has the capability to transport equipment, field technicians and support staff nationally and internationally to help facilitate your event's freight needs.

PARKING

Any and all additional parking expenses incurred by MAV will be added to the final invoice.

ADDITIONAL SHIPPING SERVICES

Multimedia Audio-Visual, Inc. can utilize overnight packaging services such as FedEx, United Parcel Service, Priority Mail or a variety of ground and freight companies to get a piece of equipment to you anywhere in the world. Please call with any specific shipping needs.

TERMS AND CONDITIONS

RENTAL POLICIES

PRICES

Prices shown are for daily rentals only. Listings are designed for rental calculations only. When quoting an event, we recommend you contact a show or rental representative for an accurate estimate designed around your specific event.

All prices are based on customer pickup from Multimedia Audio Visual, Inc. Local delivery; pickup and operational charges are additional and can vary with circumstances. Prices with contracted venues will differ.

LESSEE RESPONSIBILITY

Lessee is liable for loss and damage to the rental equipment. In case of loss, Lessee will be charged the full replacement cost of the rented item. The Lessee may also be liable for consequential damages, additional rental charges, and/or late fees resulting from failure to return the rented item within the terms of the rental contract. In cases where equipment is returned in damaged condition, Lessee shall be liable for the cost of all repairs including labor, or if necessary replacement of the damaged item. When Lessee claims insurance coverage, Lessee will be required to provide proof of insurance.

RESERVATIONS

Multimedia Audio Visual recommends the reservation of any equipment be placed as far in advance as possible to ensure availability and timely delivery. A reservation requires a signed rental agreement and/or a non-refundable deposit.

RENTAL CANCELLATION FEE

Customers are required to notify Multimedia Audio Visual of cancellations at least 48 hours prior to pickup and delivery of any rental agreement. Multimedia Audio Visual will charge a cancellation fee equal to 100% of the rental equipment in any instance where less than 48 hour notice is given. Some rental equipment may have additional cancellation charges. Equipment rentals requiring immediate or emergency delivery shall be charged a minimum one-day rental fee once the customer has confirmed with a signed rental contract or payment.

SHOW SERVICES CANCELLATION FEE

A cancellation charge of 50% of equipment and labor is applicable when a rental involving MAV labor is cancelled with less than 10-days notice. Less than 48-hours notice, a cancellation fee of 100% equipment and labor will be incurred.

TAXES

Where applicable, all taxes are billable to Lessee. Sales tax will not be invoiced to those customers who furnish Multimedia Audio Visual, Inc. with a valid Colorado State Tax resale/exempt certificate and a City & County of Denver Tax resale/exempt certificate (if applicable). All payments for Denver and/or Colorado State Tax Resale or Exempt must be from the contracted entity.

RENTAL TERMS & RATES

All rates are quoted in U.S. dollars. Rates are subject to change without notice. All rates are daily rates, which is based on a twenty-four hour period.

2-DAY RENTALS ARE 2 TIMES THE DAILY RATE
3-7-DAY RENTALS ARE 3 TIMES THE DAILY RATE
2-WEEK RENTALS ARE 5 TIMES THE DAILY RATE.
3-WEEK RENTALS ARE 7 TIMES THE DAILY RATE.
1-MONTH RENTALS ARE 8 TIMES THE DAILY RATE.

OUT-OF-TOWN RENTALS AND DARK DAYS

All out-of-town rentals and multi-day rentals with dark days will be charged at a minimum of 2x the daily rental rate prior to any travel or dark time consideration. Final rental factors will be determined on a case by case basis.

DAMAGE/LOSS PROTECTION

Customer will be liable for all damage to or loss of equipment rented to customer regardless of who is in possession or operation of equipment, from the moment the equipment leaves MAV premise/possession until the moment it is returned to MAV premise/possession.

ADDITIONAL CUSTOMER WARRANTIES AND OBLIGATIONS

- Customer will not allow equipment to be used by any person not familiar with its operation.
- Customer will maintain equipment in good repair, and will return it in same condition as when released by MAV; ordinary wear and tear as determined by MAV excepted.
- Equipment is used at Customer's sole risk, and Customer will indemnify, hold harmless, and defend MAV from any and all liability claims, cost, and expenses arising out of Customer's use or possession of equipment.
- Failure of equipment to perform due to adverse conditions, setup or improper usage by the customer does not release the customer from rental charges.
- Lessee must provide 24-hour security of equipment during rental period
- Lessee must report equipment problems IMMEDIATELY.
- Signer warrants that he/she is the Customer or an authorized representative of the Customer.
- By signing the rental agreement, Customer agrees to the terms and conditions stated herein.

CREDIT

First time rentals are on a C.O.D. or In Advance basis. We welcome your application for an open account. Please allow at least 30 days to verify credit references. Please note that a service charge of 2% monthly is levied against all balances past 30 days. Minimum open account billing is \$100.00. For your convenience we are pleased to accept Visa, MasterCard, Discover and American Express. MAV reserves the right to add administrative fees to any contract paid by credit card.

**ANY AND ALL RENTAL DISCOUNTS
ARE VOIDED IF PAYMENTS ARE NOT
MADE WITHIN THE PAYMENT TERMS
PERIOD OF THE CONTRACT.**

**ALL PRICES AND POLICIES LISTED
HEREIN ARE SUBJECT TO CHANGE AT
ANY TIME WITHOUT PRIOR NOTICE.**
